

Do Let us know!

It is our job to make your stay with us as enjoyable as possible!

While all our properties are inspected prior to each guest's departure, we do understand that things can happen during your stay, just like being in your own home – a bulb's life time has expired, a wine glass was accidentally broken etc.

Our Customer Support is here to assist you, to reply to all your questions and to resolve any issue that might arise during your stay.

We cannot stress enough how important it is for us to be informed during your stay about any issues that may arise, so you can give us the chance to resolve and thus contribute towards a comfortable stay.
