

Online Check-in

We require you to verify your identity before your stay. Only the guest whose name is on the reservation is required to complete the Online Check-in.

You will receive an email with the link to complete your Online Check-in, it only takes 1 minute and the process is secure.

The Online Check-in is required by law. Please complete your Online Check-in as soon as possible so that you can receive the check in details on time. We ensure that the data received are GDPR compliant according to EU Regulations. We will never share your data with anyone without your explicit permission and take all necessary measures to protect your data. For more information, you can visit the Privacy Policy in the bottom of this page.
